Font#17 - Super Fancy Frilly Font

We are now offering a *very fancy, frilly script* – Font #17! Perfect for cake toppers, nursery wall names over cribs, any wall art to make a statement. If you order this font in MDF, we will have to pack it on a backer board to survive shipping. On MDF only, depending on size ordered, \$3 - \$5 will be added to the shipping on invoices for the backer board and frame. This will be a charge for each package – not each piece. If you order 3 Font 17 pieces (or other large, fragile designs) in MDF on a single order form, you will only need a single backer board for that order. There will be no extra shipping charges for these fragile pieces in ACM. There is no consistent look to this font; therefore we could not add the individual letters to the Font Catalog like we do the other fonts – shown here are proofs of names we have previously cut to give you an idea of the look of the font. EACH OF THESE ARE SHOWN AT 20" WIDE TO SHOW DIFFERENCE BETWEEN LONG AND SHORT NAMES- THIS FONT IS MEASURED LEFT TO RIGHT – IF YOU NEED IT TO STAY A CERTAIN HEIGHT, PLEASE MENTION THAT. IF YOU ARE ORDERING FOR SIBLINGS AND NEED IT TO MATCH- PLEASE LET US KNOW THAT AS WELL. (We may not cut the same name identical 2x in a row, so if you want yours to be identical to these, attach the picture to your order.)
